Examiner

Examiner's Amendment

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The following changes have been made to the subject application:

In claim 2-9 and 11-18, line 1, "An" has been changed to --The--.

The Examiner's amendment has been made in order to place the application in a condition for allowance.

Reasons for Allowance

1. The following is an examiner's statement of reasons for allowance:

The cited art of record fails to teach an antenna mounting printed-circuit board comprising at least one antenna element pair including two chip-like antenna elements disposed along axes orthogonal to each other, and a ground is disposed to surround a surrounding area of at least three sides of four sides forming rectangular section in each of the antenna elements, and the antenna element are disposed and mounted so that a remaining one side of the four side forming the rectangular section in each of the antenna elements faces an edge portion of the printed-circuit board as defined in claims 1 and 10. Therefore, claims 1-18 are presently allowed.

2. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue
